

Directions to Cambridge Regulatory Services Limited

From Peterborough and the North (A1)

Continue South along the A1 and take the exit for A14 to Cambridge, then follow directions from A14 (see below).

From Stansted Airport and the M11

Take the M11 towards Cambridge and the North and follow until the road meets the A14. Then follow directions from A14 (see below).

From the A14

Take the exit for St. Ives (B1040). At the first roundabout continue straight on, at the second roundabout continue straight on, at the third roundabout turn left (signposted 'All Routes'). At the next roundabout, ahead of you is a grey and glass building called "Silvaco" - this is the Compass Point Business Park and we are in the brick building (Cabot House) next to "Silvaco" (which you can see from the roundabout). You will need to drive onto the Business Park and come round to what seems to be the 'back' of the office but is in fact, the 'front'.

Please park near to and on the same side as the metal cycle rack furthest away from the building. Our office is in the middle section of the building. To obtain access to our office, please press the buzzer to the right of the door and someone will be able to let you in.

If you should have any problems finding us, please do not hesitate to call.
